Dan, This is the draft chronology as it currently exists. It has not yet been reviewed by myself or others in HSCD management. It captures the chronology started by Karen Johnson for WPD and includes input from ATSDR, ORC and HSCD. Thanks, dennis.

Dennis-

Karen Johnson had to leave and can't be there in person. She will be on the phone.
Do you have the summary/report she did on the chronology of all the Cabot data?

Thanks.
